Diverse & Growing

"Notre Dame helped me discover my passions and challenged me to step up as a leader. I was able to explore many different disciplines, and the faculty supported and encouraged me in everything I tried.

By offering so many extracurricular activities and opportunities to be a leader, along with rigorous academics and intimate classes, Notre Dame helped me define who I am now and fundamentally prepared me to succeed at a competitive university.

I'm glad I chose Notre Dame and I'm proud to be a Notre Dame alumnus."

FOUNDATION FOR LEARNING

Every child is born with a love of **discovery**. We strive to create a culture where that love grows into lifelong habits of **continual learning**.

The **Pre-K Montessori Program** is recognized as a leading development method.

We provide a challenging curriculum that encourages students to become **critical thinkers and problem solvers**.

Early introduction to computers and keyboarding are paired with library and penmanship skills so the fundamentals of learning are brought together with today's technology to help them reach their fullest potential.

Students achieve their **fullest personal potential** only when a flame of learning is kindled.

FOUNDATION FOR VALUES

At Notre Dame, **Catholic traditions** and **academic excellence** are combined to emphasize moral development, service to others and leadership skills.

Parent involvement is expected as a community effort in education among teacher, faculty and student.

Structure and communication help form a consistent and disciplined approach to provide a **safe and nurturing** setting.

Notre Dame understands the demands on the modern family and **after-school care** is available on a flexible basis.

Students participate in several **school, community and charitable** events, learning to respect and serve others.

School sponsored **social events** give students the ability to interact with peers outside the classroom.

FOUNDATION FOR THE FUTURE

Students perform better when they are **emotionally healthy, physically active and intellectually stimulated**.

We believe in developing the **whole child** and encourage **physical activity** throughout the year by offering a variety of sports programs, activities, clubs and groups.

Soccer | Basketball | Baseball
Cross Country

Girls on the Run | Golf Introduction

Notre Dame also offers a variety of **developmental and fine arts programs** available to students.

Early exposure to the arts helps to **nurture creativity, imagination and problem solving** skills.

FOUNDATION FOR GREATNESS

Notre Dame is operated in the tradition of the **great community schools** where the parents and faculty act collaboratively to encourage the students to excel.

A solid foundation of good learning habits, the classic educational skills and the Catholic traditions are paired with keyboarding, early computer skills, athletics, activity programs and community involvement.

This approach gives students an opportunity to **maximize their future potential** and build upon this foundation of skills; their own personal foundation for greatness.
